About the Shelton Foundation Advised Fund

The Perc H. Shelton and Gladys A. Pospisil Shelton Foundation Advised Fund in the Idaho Community Foundation accepts grant applications for its grant cycle by September 1 every year. The Fund, which was established through the transfer of assets from this private foundation, was originally created by a bequest from these long-time McCall residents. Distributions are made primarily to charitable organizations and projects that benefit the Valley County area. The trustees of the Shelton Foundation are advisors to the fund. Grant requests are considered annually in October.

Grant Requirements

Nonprofit organizations and government entities (including schools) with projects that benefit Valley County, Idaho are eligible to apply.

Please note: *The Shelton Foundation Advised Fund application process is separate and apart from ICF's annual Southwestern Region Competitive Grant Cycle.
