The Gladys E. Langroise Advised Fund was established through a generous \$15 million bequest to the Idaho Community Foundation from Boise philanthropist Gladys Langroise. It supports the health, education and welfare of children, including college students. Langroise died in early 2000, just prior to her 100th birthday.

The fund advisers annually recommend grants that address what they believe Mrs. Langroise would have considered areas of special interest or greatest need.

The Idaho Community Foundation is in its 26<sup>th</sup> year as a statewide public nonprofit organization whose goal is to have a permanent endowment of charitable dollars that will serve Idaho forever. A gift of any size to ICF can support a fund that will provide for a

donor's favorite charity or cause forever. Starting a fund of \$25,000 or more allows donors to individually select the recipients.
